“ I have many loving memories of this special lady. She was probably one the most patient, loving and caring person I know. She could cook a feast straight from her garden! Her best meals were served on melmack dishes served with fresh lemon aid or Kool-Aid in snuff glasses. But, one Easter Sunday (years ago) will always be my favorite memory of her! It was a great gathering of all the Aunts, Uncles and Cousins! The wagons were loaded with all the kids and family to take a ride to a pasture. On this pasture, was a day spent playing baseball (on a make shift field), eating fried chicken and all the fixings with some the best family anyone could ever want. On that day, my Aunt was happy and full of laughter. I am thankful God blessed my life with the ALL the moments we shared
