“ *Miss you all ready. Still trying to wrap my head around the past few weeks. I just hope you know how much you were truly loved.*

“ *I remember Dennis in his younger years as trying to do his best at whatever he tried to do. His truck driving was important to him and he made a career of driving. He loved to tell stories of his days on the road.*

So thankful he gave his life to God and know that some day we'll meet again on that heavenly throne rejoicing together.
