“ *My very deepest sympathy to Dominic's family. The waves of grief never grow smaller, only a little farther apart, a little at a time. In between the waves will be the memory of the joy I know this wonderful young man brought. I pray for you all strength and peace, today and every day.*

“ *Praying for your family. This breaks my heart so much. I didn't know Dominic personally, but our son would play online with him and other friends. They always had a good time. He will be missed.*
