“ *I was very saddened to learn of Donna's passing. She and Karen were such good friends as I grew up in Wynnewood. Donna had such a contagious smile that you couldn't help smiling with her. She was easy to be around and great to talk to. We had not seen each other in recent years, but I always felt she was a dear friend that I could talk with at any time and we would start up "right where we left off the last time". My thoughts and prayers are with Karen and all of Donna's family at this difficult time!*

“ My thoughts are flooded with wonderful memories of my childhood friend, Donna. We attended Joy and Wynnewood schools together and had the opportunity to share a number of adventures. I sang in a quartet with Donna, Karen and Nancy Scruggs, and we spent several years traveling around the surrounding area counties, singing at various events with our Director Martha Humphrey. Such fun times we shared! Living close to one another, we were often at each other homes during those years and telling stories together in the late overnight hours. The entire family was like an extension of my own. I remember Donna's lovely smile and her delightful laughter. She was so full of fun and had a refreshing sense of humor. Blessed with a beautiful soprano voice, I know that she loved singing always. Although I had not seen Donna in many years, I remember vividly those magical times we shared. Rest in peace, Donna. My prayers are with your entire family as they rejoice in the memories of this very special lady.

Dearest Sherry....Donna would be delighted with this memory you have shared. We often talked of our times in the Joy Girls Quartet! And, any grace and etiquette we might have attained came from your mom's charm school. Those were wonderful preteen years! Thanks for your kind remembrance. She would be pleased!..Karen

“ My thoughts and prayers are with her family! May our Lord comfort your family in this very difficult time also in knowing she is in heaven with her family members that have passed before her. No more pain or suffering. Donna had such a beautiful smile and a contagious laugh. I worked with Donna from 1985 until 2003 in the Face office. She will be missed. Until we meet again!

“ Our hearts are broken. Donna was such a special friend to both of us. We will always cherish the wonderful memories we have of her and all the trips we shared with her. But, it's her beautiful smile and her joyful laugh that stands out the most. That beautiful person is in a beautiful place but we miss her. We're sorry for your loss.

“ We (John & Lenice Wright) have good memories of Donna. We worked together at Bell Telephone as operators in Norman and in toll fraud investigation in OKC. We all carpoled together back then. We had lots of laughs. May she rest in peace.
