I'm just blown away, I don't know how I missed this and here it is two months later. I went to school with Donna too. I remember her as always being kind, smiling and beautiful. I'm so sorry for your loss. God bless you and keep you.

“ I went to Classen High with Donna and this post caught me off guard, my sympathies to the family for your loss as Donna as I remember was such a warm hearted always smiling sweet person I can imagine how hard it must be for you. Just hold to your faith to get through this difficult time as Donna looks down upon and make her proud.
