

Donna Marie Miller

March 9, 1978 - July 4, 2025

Donna Marie Miller was born on March 9, 1978, in Healdton, Oklahoma, and passed away on July 4, 2025, in Elmore City, Oklahoma.

Donna, also known as Meme Miller, lived a life full of strength, compassion, and resilience. She was the kind of person who always worked hard for everything she had, dedicating her life to caring for others. Over the years, she served her community through roles in home health, hospice care, the veterans home, and as a rural route mail carrier for the USPS.

Outside of work, Donna found joy in the simple things—roller skating, fishing, camping, and most of all, spending time with her family and friends. She had a giving heart and was always ready to help or love anyone in need. Her life was a living example of selflessness and unconditional love, and she inspired others by her determination to keep moving forward, no matter what life brought her way.

Some of the greatest highlights of Donna's life included graduating, raising her children, celebrating her family and friends, and most recently, welcoming her new granddaughter into the world. Her partner, Albert Turner, was by her side, and together they shared stories, love, and companionship.

Donna's legacy will live on through all those whose lives she touched. She will be deeply missed and forever remembered for the love she gave, the strength she showed, and the kindness she spread.

Donna is survived by her parents, Dennis and Betty Miller; Partner, Albert Turner; Son, Randy Couch and Khloe Keim; Daughters, RaeAnn Couch,

Paisyn Miller Anderson; Brother, William Miller and wife Shelly; Nieces and Nephews, Bubba Miller, Jake Miller, Branden Miller, and Haylea Miller; and Granddaughter, Sawyir Renee Couch.

Donna is preceded in death by both of her grandmothers, both of her great grandmothers, six uncles, and two aunts.

“ Donna was more than our mail lady!! Much much more! She was our friend. My mother (Joy Everett, 97) treasured her friendship. She looked forward to her visits each morning when she brought her mail into the house when mom couldn't set outside on the porch. She most always had something special for her, cookies, candy and most recently veggies! She would call me if mom's door wasn't open when she got there. Her friendship was beyond measure. Knowing how much we loved her my heart hurts for her family whose loss is so much more. Just know we will miss her so very much. Even my dog Yuma that sometimes gave her grief!

“ Her smile and laughter was contagious!! The love in her heart for her family and friends was the glow that followed her everywhere! She was such a happy, funny, loving, caring and wonderful woman. I am so glad that she was a part of my life and was Meme to my daughter as well. She became family. She became a safe place for my daughter to go and spend time with her BFF Paisyn. We are truly blessed to have had her in our lives! We will forever love and miss her!!
