“ *To The Family,
Donna was such a sweetheart. I didn't have the chance to really get to know Donna but she was such a big help to me when I started work at SORC. I am truly sorry for your loss but I also know that there are not any words that can help ease the pain for what you are going through except to trust The Lord and keep your faith in Him that we will all get to see her again. You are all in our prayers.
