“ *Lynne and Paula I am sadden tonight after reading of the passing of your mother Dorothy Jane Livingston. You have been blessed to have her with your for so long. My Sympathy, love and Prayers are with you all. You will all have many happy memories to share with each other in the future. God Beless you all. Many times since I moved from Pauls Valley I look back in my life and remember the time when Paul and Dorothy owned and operated Fields Restaurant, it was a stopping place each year when the Oklahoma Sooner fans headed south to play the Texas Longhorns in the Cotton Bowl, that was the good old days.*

*I'm so going to miss my visits with Jane! I made her part of my plans when I was back in OK. I spent part of Easter Sunday with her this year. I documented my trip that special day on my Facebook page. I'll never forget her parting words and then how she zipped off on her scooter. I felt then that it likely would be our last visit. I loved your mom. Didn't matter our age difference or all of our group had passed. We stayed in touch. I valued my time with her. She was special to me. On Easter, she told me she was waiting on God to take her. She felt okay. Looked great. But she was ready. When she scooted me to the front door she said, "either I'll see you here or I'll see you later someplace else." Just matter of factly. Just like your mom to say it like that. I knew what she meant. I am late in writing. I just learned of her passing on to the other side, to meet up with Paul, Boogan, Brian and so many more. I was privileged to call her my friend. God bless, Tracy Nation*
