“ *We both are so sorry for your loss. We had a lot of good times with "Dougie" as our family fondly called him. He had a lot of wonderful qualities and was a very special person in our lives for many years. He will be missed very much! We take comfort in knowing that he is with our Father now and we will be with him again someday. Lord give comfort to all of those that are grieving and take extra good care of this very special man!##imported-begin##Mr. and Mrs. Corky Baker##imported-end##*
