“ My cousin Dymple had a smile that could light up the world. She had a strong work ethic. I remember her and Cousin Malsie working hard on the Butler ranch. Dymple believed in the benefits of education and was an inspiration to us. She and I are both OSU alumni.

May God surround Dymple's family and friends with His faithful love, strength and peace.

“ Dimple was such a sweet spirit and I'm so very glad our paths crossed this side of eternity. I remember our last visit a few months ago, ended with warm, real hugs. I'll remember her smile and kindness forever, having first met her over 25 years ago when I first met her and her precious mother. Dimple was a very precious lady. She will be truly missed and always loved. Pam
