“ *I miss you so much dad. Hard to believe it's almost been two years. You taught me so much from how to work on an engine to wiring a porch light to riding a bike to mowing the yard. Luckily I married a man just like you and my son is definitely a Freeman. Daryl and Brady never cease to remind me of your character* ❤️

“ *He shared his love of cars and racing with me. Took me took the races when I was barley as tall as the fence. Loved his big laugh. He always let me know he loved me so very much. He will be forever missed in my heart. Soar with the angels uncle Gene!*
