“ This is my dad. I am very proud to be his son. I hope he knew how much i loved him. He worked very hard to provide for me. I cherish the times he spent with me hunting, camping and fishing. I loved when I was little and he called me "ski cat." I am appreciative for the time I had with him the last two weeks. I hated the pain he was in but now he is well in heaven. Thank you God for that.
