“ *It made my day when we had family gatherings, when you walked in and she spotted you, she would get that little crooked grin on her face, tilt her head open her arms and start heading toward you for the most loving hug one could ask for. I will forever miss that grin and I just one more hug. ❤️❤️*

“ *I remember many of our family trips to Lake Thurber TX. We would all ride down in an improvised camper bed in the back of Grandpa Anderson's pickup and sing almost the entire way all the gospel hymns that Grandpa lead in church every Sunday. One of her favorites was "Farther Along" which we always did our best to butcher. Edwina was always a ringleader & almost always succeeded in getting us into trouble. She knew how & where to find the most fun & was filled with laughter. I will miss her gentle spirit & loving nature.*
