“ I would like to express,how much a blessing Janie was to me, She did so much behind the scene to help others,she didn't go around talking about what she did for others, I just realized recently as I was talking to other people how she made a difference in their life. She was truly a blessing to me, and all who had the pleasure of knowing her. May God bless you and your family.

“ I just want the family to know how much I like Janie and her sense of humor. I have worked with Janie for 12 years at SORC and she was a wonderful person. Her work was always great and she was a joy to be around. She would come into the office and just brighten up the day. She was a wonderful lady and will be missed by everyone.
