“ *It's with great sorrow that I learned of Maurece's passing. She really meant alot to me. I remember days of drinking iced tea on the patio with her, Tommie, and Ronnie. She was a great person and will be sorely missed by all who knew her. I will keep you all in my thoughts and prayers.##imported-begin##Scott Wilson##imported-end##*

“ My cousin Sarah J. Bost had communicated with Maurice before her death May 2009. Maurice was the first one to send flowers at Sarah's death. The family members were appreciative of her gesture. Sarah's cousins include my Brothers Hugh and Harry. My older brother, Sam, died in 1989. Other cousin was Dorothy Miller Arthurs and Sam's widow, Lela D. Miller. It is with regret that we were never able to meet Maurice and other kindred. Our kindren connections is with our grandfather and grandmother Ellis of Davie County, North Carolina. May God's blessing be upon your family. With condolences, J. Wayne Miller Ed.D.##imported-begin##J. Wayne Miller, Ed.D.##imported-end##

“ It is with great sadness to read about Maurece passing. She had a smile for everyone she met and she will be greatly missed. Maurece and I were classmates in grade school at Parks and High School at Elmore City.. May God Bless you all during this time of grief. Too often we underestimate the power of a touch, a smile, a kind word, a listening ear, an honest compliment, or the smallest act of caring all of which have the potential to turn a life around. Maurece was that kind of a person. People come into our lives for a reason, a season, or a lifetime. Embrace all equally.##imported-begin##Harold Bradley##imported-end##
