“ *Stevie, I am sorry to hear about your mother. I know that she was a special lady. I'm sorry that I was unable to be at the service, I was conducting a service at Pauls Valley at the same time. I just wanted you to know that I was thinking of you and your family.##imported-begin##Joe Terrell##imported-end##*

“ *To the immediate family of Elsie Shirley,*

With sorrow, we received the news of your mother's passing on October 24. We acknowledge your loss, and hope and pray that you will continue to celebrate your mother's life.

"Miss Dutch" (as we knew her in the Sweet Home Community) was a strong, caring, and creative lady. In addition, we have not forgotten the support your late father gave to our father during his waning years (late 1970s and early 1980s).

*With our love and faith,

“ So very sorry for your loss, but what a legacy your mother leaves. She must have been very proud of her family. I am going to stop by Wooster's and leave something for you from the Agency and your co-workers. I hope it helps to make your loss somewhat easier to bear. Please let us know if we can be of any help to you.
