“ Pam my thoughts and prayers are with you and the family during this time of your loss. Since I had to move from Pauls Valley to Texas, I sure missed the many time I spent visiting across the alley with your mother, a fine woman.

Through the eyes of Faith: Faith tells us that love is at work in the world...bringing about hidden miracles in every corner. Faith tells us to trust in something greater than ourselves as we journey to the top of the mountain. And though our eyes may be blinded by the mist surrounding the mountain, still we continue to climb...because we know that we shall see the way clearly through the eyes of faith.

Wishing you the courage you'll need in the days ahead and the wisdom to see that everything is possible...if you believe. May God Bless your family during this time of sorrow.##imported-begin##Harold Bradley##imported-end##
