“ Eula was a woman with a wonderfully sweet and giving nature. She was a joy to be around. She loved her family dearly and knew that she was loved in return. I will miss her, but keep sweet memories of her.

“ My first memory of Eula Mae was back in 1977 when Ken and I were having lunch in the cafeteria at the Pauls Valley State School. She was the cutest, sweetest, and friendliest lady on the line. Her smile was infectious and she baked the best pies ever. We turned out being neighbors soon after and spent time playing dominoes, (Cotton knew every Play in my hand) talking about our gardens, our faith, and our families. Rest in peace dear Eula Mae.

“ My Aunt Eula was a very special person. She was like a second Mother; kind, giving, nurturing, so selfless with her love and time. There are some people in the world whose light shines so bright that even after they are gone their light remains. One of those special people was my Auntie. She will be dearly missed. Love Donna Gayle and Frank.
