“ Joe and family,

I did not know your mother personally, but I do remember thinking she was just so beautiful. Losing a parent is so difficult ... our last connection to our childhood and complete unconditional love. You and your family continue to be in my prayers during this time.

“ Dear Joe and family,

Oh, how many fond memories I have of your precious mother, Gwyn! She was so very beautiful both inside and out. She was such an elegant lady, but always fun and smiling! I so enjoyed the times we had with her and Big Joe and your amazing grandparents, Mr. and Mrs. Compton.

Please know my prayers go out to you. I know you will miss her very much. I am so thankful Our Jesus is holding her now.

Fondly,

“ Joe, I was so sorry to hear of your loss, you have been blessed to have your mother with you around for all these years. My sympathy, love and prayers are with you and your family. You will have many happy memories to share with each other in the future. God Bless you all.

There is so little one can do, so little one can say to bring you consolation in the loss that's come your way, But may it help you at this time and bring some comfort, too, to know that others truly care and share your grief with you.##imported-begin##Harold Bradley##imported-end##
