

Felicia Lynn Bennett

April 13, 1984 - April 10, 2026

Felicia Lynn Bennett was born on April 13, 1984, in Ada, Oklahoma, to Ronald DeWayne Bennett and Trudy Jane (Lumpmouth) Bennett. She departed this life on April 10, 2026, in Wynnewood, Oklahoma, just days before her 42nd birthday.

Felicia was a proud tribal member of the Confederated Tribes of Warm Springs in Oregon. She graduated from Madres High School and spent much of her life devoted to her family as both a skilled cook and a dedicated homemaker.

Felicia had a deep love for the outdoors. She found joy in gardening, yard work, and simply being outside—especially watching the sunrise and embracing the beauty of each new day. She was also a talented beadworker and enjoyed collecting rocks from her travels across the West Coast to Oklahoma. One of her cherished joys was teaching her son how to make dreamcatchers, sharing both her creativity and cultural traditions.

She was well known for her cooking, especially her fried chicken, steak, and her beloved potato, egg, and sausage burritos, which brought comfort and happiness to those around her.

Above all, Felicia's greatest pride and joy were her sons, Delmar Whitefoot and Mitchell Whitefoot, who were the center of her world. She instilled in them the values of appreciating life, the importance of family, and kindness toward others.

Felicia will be remembered as a caring and loving person who touched many

lives. Her warmth, wisdom, and appreciation for life will continue to live on in the hearts of those who knew and loved her.

Felicia is survived by her long time boyfriend, Nathan Nichols; Sons, Delmar Whitefoot and Susan Mitchell, Mitchell Whitefoot; Parents, Ronald and Trudy Bennett; Brother, Wade Bennett; and a host of other family and friends.

Felicia was preceded in death by her brother, Robbie DeWayne Bennett; and grandparents, Truman and Agnes Lumpmouth and Ronnie Bennett.

Memorial Services for Felicia will be on Wednesday, April 15, 2026 at 5:00 P.M. at Wooster Funeral Home Chapel in Pauls Valley, Oklahoma with Jefferson Greene officiating. If you would like to send your condolences to the family, you may do so at www.woosterfuneralhomes.com

“ I can't express to the family enough how deeply sorry I am for this tragic loss. My heart was saddened by this news and I could just see us as little girls building forts outside and making our own clubs and riding bikes and just being kids. She had such a special place in my heart from sharing one of the best times in my life. I'm sorry I wasn't able to be there to help send her into a better place. But she will forever bring a smile to my face just the thought of her laugh and her kindness. We were so goofy together and had so much fun! Lots of love always,

“ I apolizge I could not make it there in person to say good by. You were taken to soon sister. I will just say when I was describing you to my kids I described how you always made sure people knew we were family. You would give me hell when I would try to be wild and tell me to keep doing good in school, you would bring a spray bottle and comb on the bus to braid my hair so tight I had and instant face lift on game days. I would bring us snacks and we would have our own feast in the back of the bus even while you were battling morning sickness with your baby boy. I described how we shared the same middle name. I wanted my kids to know how you were big on family You are so proud of your boys 💕 so I know you had a birthday celebration with you brother and grandma's I can only ask that you watch over us and visit every now and then.

“ To Ron, Trudy, Wade, Delmar and Juju. I am truly sorry for your loss. But your daughter/mother was a very special woman. She would help anyone that needed help. No matter what it might be. It might be just giving someone something to drink or helping go grocery shopping for others knowing that we both hate shopping. You were very special to me and you helped me so much over the years. you are an amazing person who I am Truly going to miss. I just talked to Mitchell (juju) and he is amazing and you know that we both already knew that. You raised two very special, kind, helpful, caring sons who loved you very much. they knew how much you loved them too. I won't be able to pass up my banana pepper plants without thinking of you. you would pick them off the vine and they usually never made it into the house lol.

I hope that some how some way i was able to influence your life for the better. i know that you did mine. I am going to truly miss seeing you. I'm especially going to miss you calling me "momma hen ". Felicia I love you and I will miss you so much. Fly high with the angels now and be at peace. I will be with you soon enough.

Love, Brenda Sechrist.
