“ *Nadine, Floyd, David,
My prayers go out to you and the family. Your father was a man of great faith and I am sure he has gone on to receive his just reward. Take comfort in the fact that others are with you in your time of bereavement.*

“ *David, I am deeply saddened to learn of the passing of your dad. Your dad was a friendly man and I always enjoyed visiting with him when I was working the courthouse for news for the Daily Democrat. And David I will always remember your football playiing days at Pauls Valley as I covered the game for the paper. Please accept my deepest sympathy during this time of sorrow. There is so little one can do, so little one can say to bring you consolation in the loss that's come your way, but may it help you at this time and bring some comfort, too, to know that others truly care and share your grief with you.##imported-begin##Harold Bradley##imported-end##*
