

## Frank Joseph Loriss Jr.

October 24, 1955 - October 1, 2021

Frank Joseph Loriss Jr. of Elmore City, OK was born October 24, 1955, to Frank Sr. and Dorothy Bronis Loriss in Chicago, Illinois and passed from this life on October 1, 2021, in Oklahoma City.

Frank spent a large part of his childhood in Chicago. His first job was at Meca's Italian Restaurant where he was a cook at the young age of 12. He often spoke very fondly of this time. His family moved to St. Petersburg, Florida when he was 14 and there he met the love of his life Judith Shultz. The couple was married in St. Petersburg Florida at his parents' home on June 1, 1974. They shared 48 years of marriage.

Like many others the oil field began calling and their life in Oklahoma began. Frank and Judith put down roots in Katie Ok where they raised two children, Jason, and Shelly.

Frank was always a hard worker with a great mind for business. He was a mechanical contractor doing air conditioning, heating, and refrigeration. This all served him and others well when he established Loriss Refrigeration. He worked hard to support his family and did all the good he could for his customers. He made many friends during his years of serving his community and surrounding areas.

He held very closely to his heart the time he spent during the last years of his life raising his grandson Skyler. They enjoyed many adventures. Frank will be missed by all that had the pleasure of meeting or spending time with him.

Frank will remain forever in the hearts of his surviving family.

“ I’m the older sister, Carol and the 2 pictures of Frankie and I were of course when we were very young. I had the greatest memories of my brother when we were young. We slept in bunk beds together. He always got the top bunk! We spent a lot of time with our grandparents at their Indiana vacation home picking blueberries with our grandma. We played together and did our share of getting into mischief. He liked to drive along with me in my car. In fact the car you see in the one picture is the car we drove around in once I got my license.

Once the family moved to Florida and I stayed behind we kept in touch by visiting Florida. Time went by and I visited once in Oklahoma. We kept in touch by phone calls and checking up on each other and our growing families. The 2 pictures were taken at my home when he visited Grand Junction with his beautiful wife Judy. Those pictures are the last pictures of our family together. I’m so happy I still had them in my phone!

Frankie will always have a place in my heart and the memories will stay with me. He was a good man, husband, provider and the best brother a sister could ask for! How lucky I was to have him in my life! Till we meet again... love you Frankie❤️
