“ *Myra, I am so sorry for your loss. You had a strong marriage with Fred. I really did not know your husband personally, but Helen and Max were very keen on him. You are so blessed to have had a long marriage. I would have traded my eye-teeth to have had that. I will pray for you and yours. If there is anything I can do, please let me know. My phone number is 405-207-1228. Lord bless you, sweet Myra. Sharon Scarce*

“ The man taught me how to hit a curve ball. How to ride a motorcycle. How to gauge the gait of a horse. How to.... Many more things. And it may not mean much to some, but to Freddie.... He was loved and see you again Sir! d

“ Our deepest condolences to Myra, Bobby, Vicki, and all Fred’s family, Classmates, and friends. May God wrap ahis loving arms around all of the Rennie family and give them the strength to endure all things. We have fond memories of Fred from school and beyond graduation.

One more recent (2015) I will share was his 40 th Class of ‘75 Reunion in Norman Ok where he and Gary M arrived fashionably late during the dinner to say HI to everyone because they had not sent in their reservation.me. Both were surprised when many told them to pull up a chair, sit down, eat, and stay awhile. Both were dear to our hearts and both are no longer with us sad to say. Prayers and hugs for all 🙏🙏❤️❤️❤️RIP Fred Holley Rennie.

“ My memories of Fred Holley have been flooding my mind these last few days... Running cows... Building fence... Planting soy beans... being the third wheel with him and Myra Jane (they made sure I never felt like the third wheel)... getting a phone call at 6 a.m. to round up cows running around downtown P.V. because Fred Holley forgot to latch the back gate door on the trailer and they all jumped out at the stop light... to many to share here... Every memory is vivid and special because he made every moment you spent with him vivid and special...

I love you brother, Lonny (Ervin)
