“ *Shirl, I was so sorry to hear about your mom. My sister, Jane called me this evening. I know that you know how sweet she was, but your mom was always smiling and always nice to me, whether I deserved it or not. I can remember being in high school and having our mothers be homeroom moms. The memories of our parents wanting to be involved brings a smile to my face. May God Bless and give you strength during this trying time. I hope I can see you soon. Your Old classmate, Rick Worden*
