“ My family's condolences go out to your family. I used to work with George at Tinker as a driver. He also knew my wife Cathy when he would drive VIPs staying at Lodging on base. It was always a pleasure to work with him and that big smile and wonderful personality. He never seem to be in a bad mood. George was always joking and seemed to love life and people. I will miss him. God speed George, you will now be driving for the biggest VIP ever.##imported-begin##David T. Fleck##imported-end##
