“ *To the Harrel & Hicks families: Our family was so saddened to learn of the passing of Gerald this past week. We did not know he was ill. We personally know the sorrow in losing a sibling with the passing of our brother, Gary a few years ago. It is never easy to say good-bye to a loved one no matter the age. Although I did not know Gerald personally, I have heard nothing but good things about him from those who did know him. Please accept our condolences. Respectfully, Linda Hodge Anderson Kerley*

“ Hey Daddy!!! Just wanted you to know how much I love you!!! I never had the chance to thank you for letting me be your nurse when you were working cows. I know I was probably more in the way than I was helping but you never said a word. You would say "hand me that needle baby", "put that pill in this hole" or "get him in the chute". You taught me the love of freshly plowed dirt and the smell of fresh cut alfalfa. The love of riding horses and working cows. I learned so much just watching you as I grew up. I know you are now with Te Thumper, Creezie and Jerm again. I thank God for picking you to be my daddy, cause they don't come like you very often. I love you daddy!!!!
