“ *Glenna was one of my many favorite customers and collaborators, always cheerful and ready to share ideas. I'm sorry that her life was shorter than it should have been, but I'm sure she lived it more fully and deeply than many. My condolences to all the family.*

“ *There are people whose acts of kindness positively impact the lives of others. Glenna touched so many, including mine starting some 47 years ago. As a young 4-H member far from home, Glenna and Dixie extended friendship to me that made an indelible impression and by their example, provided a model for compassionate and caring living. Like so many that Glenna met, we remained friends from that day forward.*

Sam and Derrick, please accept our heartfelt condolence during this tough time. Glenna made a difference in this world and she will be remembered fondly by all who knew her.

“ Sam, and Derrik, so sorry to hear about Glenna. She influenced so many 4-Hers, especially in Cleveland County. Her influence on both Karla and me (especially Karla) with her expected high standards for all of her 4-Hers has stayed with both of us as adults. I suppose the most consistent memory that sticks with me from the time when Glenna was 4-H educator in Cleveland County while I was in the program was her constant reminder about no PDA whenever we were on a trip, whether it be to state 4-H round-up, to another county, or to national 4-H congress or citizenship shortcourse in DC. I can remember the evening debriefs (usually in Wentz) at Round-up where she would mention if she had observed inappropriate behavior from any of the girls during the day..... she expected us to be role models of integrity; I think many would agree we girls that went through her program turned out OK and have attempted to pass her legacy of integrity and morals on to future generations. I would love to drink a toast of Braum's 2% milk to her, but I don't have any Braum's in Houston. :-(

I know the extended 4-H family members who preceded her over the recent years, and more importantly the Lord, welcomed her home this week with the words we all hope to hear "Well done good and faithful servant."
