“ So long my sweet, sweet friend. So so many memories of camping in our RVs together, Thanksgiving dinner in Anzo Borrego, loving Texas and Oklahoma, and the Native American culture, ice cream nights, drinking Cokes, and sipping (or chugging) glasses of wine, and talking about kids, and grandkids and great-grands. I'll miss our long phone calls and laughs together. We knew the good and the bad of one another, and loved each other anyway. Kirk & I will miss you and love you forever. Fay & Kirk Kinley
