

## Hazel Blundell

March 29, 1923 - March 7, 2022

Hazel Mae Blundell of Pauls Valley, Oklahoma was born to Abner and Suzie (Rich) Winn on March 29, 1923, in Royal, Oklahoma and passed from this life on March 7, 2022, in Pauls Valley, Oklahoma at the age of 98 years.

Hazel grew up in the “Dust Bowl” and Great Depression era. She married Layton A. Blundell on April 16, 1944, in Marlow, Oklahoma. She was a stay-at-home mom until her son, Larry graduated from high school. She then went to work for Kellwood in Pauls Valley for 20 years. In her spare time, she enjoyed sewing and was a member of Eastern Star. Hazel took great pride in her home and yard. She kept her house cleaned and mowed her own yard well into her early 90’s. Larry wanted to buy her a key start riding mower for her 89th birthday, but she sternly told him she was perfectly capable of pulling a cable to start a mower and push it.

The highlights of Hazel’s life included a trip to California with her sister Sybil to work in the aircraft industry during WW II. Hazel learned how to weld and was a “Rosey the Riveter” She enjoyed watching her son, grandson, and great-grandchildren play sports.

She was a hard worker and very frugal in her life. However, if there was something her son Larry needed, or something her grandson wanted (like a \$100.00 pair of Jordan athletic shoes when he was 6 years old) – well that was different. Larry stated, “You never got me \$100.00 shoes”, and she replied, “when you have grandkids, you will understand.” Man, was she a fortune teller on that one!

The most important thing she taught Larry about life was “no matter what happens to you in life, just put one foot in front of the other and go forward.” “It is what it is, so just deal with it.” Hazel strived to be a good daughter, sister, wife, mother, grandmother, great-grandmother, employee and friend. She did all of those in her lifetime.

Mrs. Blundell is survived by:

Son: Larry Allen Blundell and his wife Jennie of Yukon, Oklahoma

Grandson: Jeffrey Allen Blundell and his wife Megan of Washington, Oklahoma

2 great-grandchildren: Baylor Paige Blundell (age 13) and Boston Allen Blundell (age 11) and their mother, Whitney Blundell

“ *Larry, I am really sorry about Aunt Hazel. I remember her well. When we were young she would take care of us "little Winns" with love. As an adult she became our friend. She was sweet and loving. I remember going to see her and Uncle Layton just before he died. He was pulling out his "grand child's retirement" collection and Aunt Hazel was following behind, putting them all away! I know she was ready to go and have a reunion in heaven with her beloved husband and all her siblings. Love to you all Sherry Winn Eaton*

“ *I was never able to meet my great aunt Hazel, as we live in another state, but I am fascinated at how beautiful she is, and what an amazing life she has lived. My heart breaks to hear of her passing, and my sympathies go out to all. I know she touched many lives.*

“ Larry, I am so sorry about Aunt Hazel, you and your Family will be in my prayers. I remember getting to stay at your house when Momma had the younger kids. We got to play outside by the railroad tracks and got to go over by the school to the play ground. When Uncle Layton came home he would take us downtown to the pharmacy and got ice cream at the fountain area. I was Blessed to get to spend time with Uncle Layton and Aunt Hazel. Both of your parents gave out unconditional love to all of kids. I especially liked staying there with Aunt Hazel because she would let me help straighten up and I'm sure she had to go back over it and her patience with us. What a wonderful Aunt she was and I know she is with Uncle Layton and her Mom and Dad and Brothers and Sisters. Aunt Hazel and Uncle Layton did so much for all of the Winn family and she will be missed. Love Patti

“ I just remember how sweet she was to us Billingsley kids when we would be in Marlow visiting “big mama” or when she and your dad would visit us in Purdy. I remember thinking how beautiful and sweet she was. So sorry for your loss but know she was ready to go home. Love you all.

“ I met Hazel at The willows. She sat at my mom's table and it did take me a while to get to know her. But I found the key..Dr Pepper and chocolate! She would always break into a huge smile when I gave her the treats. After that she always smiled when she saw me during my visits. I missed her when she left The Willows and will always have warm memories of our times together. I am deeply sorry to learn of her passing. May Our Lord provide your family comfort during this time.
