“ *Family of O'Dell Wright (Johnie Mae, John, Jeff, Nicole and Natalie) We were looking at some old family pictures and remembering the good times we spent together “back in the day” when we would go visit Momma Lula, and the family every summer. I am reminded of the close relationship Odell and Holmes had with each other growing up. They had some really funny stories. Our condolences and prayers go out to Chevas and family that God will comfort you all during this time of great loss.*
