“ *Jean is my "other" mother. Over the last few years I came to know her better and love her more than you will know. She was the kindest lady, always thinking of others first. Everyone loved "Mrs. Love". Always a smile and a greeting of "How's my Sweethart". She will be greatly missed and the empty days will be filled with great memories of the good time we had !!!imported-begin##Patty Love##imported-end##*
