“ *She was a true earth angel before she went to meet our Lord. I've been waiting on her and her husband for over 20 years now at PUNKINS in PV. They were always the sweetest people. Miss Ina was such a classy lady. She will be dearly missed. Love Adrienne Lang and family and the PUNKINS girls.*

“ *I did Inas Hair some when Carolyn couldn't. But I learned so much from her. Never a word about anyone. One thing that touched me so much is sent me cards for all sort of things. Then L B told me about my Dad and playing baseball and how much he looked up to him. A memory that I will treasure is LB and Ina coming to my and Lloyds 50th Anniversary. My mom and dad shared anniversaries with us so there 75th. I got to introduce my Dad to LB. I saw them just visiting and it made me feel so blessed.*

“ One of my favorite memories was when my oldest son Jake was in middle school and it was time to go pick up his schedule for school. I had just finished fixing her hair and was trying to figure out how to get him down to the school because I didn't have time in between appointments. Sweet Ina said I'll take him for you so they loaded up and she took him to the school for me ♡ Last year when he graduated high school she was smiling and talking about getting to step in and take him for me all those years ago ♡♡♡♡ It takes a village to raise our kids- I'm so thankful for our small town and people like Ms. Ina! She was a special lady and I so enjoyed the all the years of getting to see her at the beauty shop! Love and prayers for all the family

*Ina has been in my life since I was a young girl. She was always active in school, church and community events. Her and L. B. Have supported the town of Bradley as their hone town. Her sweet smile was always welcoming and they both have been friends I looked forward to seeing at every school reunion. May she be resting in heaven with family and friends who have gone on before. Prayers and sympathy from the Rodgers kids to you and your family.*

*I have known Ina and LB most of my life and they are dear friends. I used to babysit Melinda and Melissa and watched them grow up. Ina was full of life and a very classy lady. She was the pianist at First Baptist Church in Bradley and LB led the singing. Ina was so much fun and I loved hearing stories of their dating days with Maxine and others, under Mama Toylee's watchful eyes!!! Lol . You will be missed.*
