“ *Linda, Nina and Heath I am so sorry for your loss. From the first time I met JR at the Heart Hospital, there for one of Jay's surgery, JR reminded me of my grandpa. JR and I talked about farming and harvesting for a long time. I have such respect for him, standing by his family. He was a super kind man with lots of stories, and can not forget the right pant leg tucked into his boot. May God bless your family with lots of wonderful memories.*
