

Jack Boucher

February 14, 1950 - July 5, 2021

Jack Boucher 2/14/50-7/5/21

Just like a share cropper- he bought the farm! If you know our daddy- he would be laughing at this and smiling ear to ear! He is missed already and certainly always will be.

He was preceded in death by his wife Pat Weldon , father Clarence Dale Boucher and his mother Margie Duke. Also his brothers Butch Boucher, Don Boucher, Dick Boucher, Mike Boucher and infant brother Jimmy Dale Boucher. He is survived by his brother Jerry Boucher (Jodie) and his daughters Christie Bobbitt(Lee) and Jackey Blankenship (Steve). He was so proud to be the grandfather of Megan Dunn (Adam) and Nicholas Bobbitt. Also the mother of his daughters and first wife, Patsy Boucher. He is the beloved Uncle of Jerry Don Boucher, Shelly Blish, Terry Boucher, Paul Kennedy, Wendell Boucher, Charles Boucher , Starla Price, Shana Swinney, Leann Rushing,Michelle Boucher , Stephanie Butler , Jimmy Boucher. He enjoyed and loved his extra children Rhonda Christian(Larry), Keith Weldon(Rayann), Janie Curtis (Ted), and Lauri Sayre(Brett). He loved many grandchildren and great grandchildren and many many friends.

He was skilled in upholstery for many years. He was the Chief of Police in Paoli. He helped establish the volunteer Fire Department and was the Fire Chief of Paoli. He was a Jack of all trades and a master of none, but we all knew better. He could figure out any task before him and we always joked that his main tools were duct tape and wd 40. He enjoyed fishing, and tending the

lawn. He took great pride in a well manicured lawn. Most of all, he wants his life to be celebrated and known for his love of Jesus, his Lord and risen savior. Funeral services will be held Thursday, July 8, 2021 at 10:00 at Wooster Funeral Home Chapel in Pauls Valley, OK.

“ Jack was one of Donald's very good friend and he will miss him more words can tell. He always checked on the both of us. I'll will miss his jokes and memories of him and Donald when they were police officers together. We will miss him daily until we meet again.

“ Gosh, I don't even know where to start with the memories. His attitude towards life and his happy go lucky lifestyle will remain with me forever. I always enjoyed just sitting and visiting and listening to his stories. His laugh was infectious and had a sound of pure happiness. Growing up with him for an uncle was never a dull moment. He never met a stranger and made everyone feel welcomed. I will always the memories and miss him dearly. I love you Uncle Jack, heaven gained an awesome angel!!!!

“ He sure was a special one! He was one of many who made my first (and only, to date) trip to Oklahoma one to remember! I'm not sure who enjoyed my first introduction to a low water pass - me or him, but I'll remember it always! That, and our yummy fried lunch from the convenience store, our visit to the old ghost town, Lake Murray and rummaging through all his neat finds. I was quickly warmed to his kindness, how open & welcoming he was and especially down to earth. To see how Christie looked at him tells you darn near everything you need to know about the heart of a person. I am honored to have been given the great gift of spending time with him and being personally toured around southern Oklahoma by him! We join in your grief, but even more in rejoicing for his graduation to eternity with Christ. Our prayers are with the entire Boucher family. Daddy Jack is a loss deeply felt, but may the peace of God be felt all the more in the days ahead.
