“ *I'm so sorry to hear about Jackie. We were Premier Designs jewelers together and built a good friendship over the last few years that included a lot of lunches and Sonic Happy Hour runs. She was so funny and positive and a real go-getter even though she had several health problems and was often in pain. She was a wonderful woman and I will miss her.*Pat

“ She was a very outgoing, sweet person and always loved to laugh. She was my Grandma and she always lightened my day! We always had silly stories to tell and there was never a dull moment. She loved her grand kids with all of her heart. She will always be in my heart and I will never forget the memories. I love you very much.
