“ Hey Jackie, I honestly don't know what to say. I'm still completely shocked by the situation we all find ourselves in. I come home every night fighting back tears knowing that you used to live and stay in the very room I stay in now. I'd give anything to be able to go back in time and have the priviledge of running to Homeland to get you some twinkies and Yogurt lol. I love you always have always will...forever. I miss you Jackie.##imported-begin##Marcus Smith##imported-end##

“ I was so shocked to hear this. I haven't seen Jackie since high school, but have many fond memories of friendship, overnights and hanging out at her house in Wynnewood. I still have pictures of the 2 of us. I will always cherish the time I spent with her. Much love to the family---I can't imagine suffering such a loss. May you find strength in the Lord.##imported-begin##Tammy Ward Howell##imported-end##
