“ I never knew your first name was James. It was always Mike or just Runyon. When you were around, you were always a hoot & full of energy. I'm glad that I ran into you a few years later after all of us had gone our separate ways. It was great catching up on what life was doing out to us back then. I'll see you again one day.

May the Lord give Mike's family Peace & Comfort in this very difficult time.

“ Dear Mike....All those years that we (Mitchel and I) knew you, we never knew you had a name other than Mike! We could have teased you endlessly! We love you like a brother. Even though I've not seen you in forever, You weren't forgotten. I checked on you through friends just to see that you were alright. I won't ever forget you. You were such a beautiful presence. Thank you for being my other big brother. Now, go play tennis with Mitchel in heaven! On behalf of myself and my family, I send my heart felt condolences to Mike's family and friends. May he rest in the peace and comfort of our Lord Jesus Christ.
