“ *I will forever miss your life giving laugh. You had a passion for life no matter how hard life got. I can still hear your contagious laugh! You inspired me to have the same passion for life, I will miss that. You were a true servant and always put others first. I will never forget the time you stayed up with me until 3 in the morning getting ready for the peach festival. Your children have truly lost their biggest supporter.
I find comfort because I trust and have faith I will see you again.*

Love always,

“ *My heart goes out to each of you during this difficult time.*

I'm so thankful the four of us were able to be together during OU/TX weekend. Despite being ill, Jamie was very cheerful, upbeat and excited about the future.

We really missed seeing her during your holiday party and hated that she couldn't join us at her own home.

Your family will be in our hearts and prayers!
