“ My thoughts and prayers are with all those whose lives were touched by Aunt Janice. I have fond memories of times spent with her, especially during my summer visits to Granddad and Grandmother Westbrook in Wynnewood. Aunt Janice always seemed to be making food for church activities and being involved in comforting and helping others. During my visits she would take me along on errands and to church--a dress, hat and gloves were the most appropriate attire. For several years, she would take me shopping for some school clothes--usually Pendleton outfits which I kept and treasured for many years. My other remembrances of Aunt Janice--a wonderful fragrance, the most beautiful skin, and a love of flowers.

Heaven will be a better place.

“ Janice was a very special lady (and she was a "lady"). I know she is in a much better place today and enjoying her family in Heaven. She will always have a special place in my heart.
