“ *Bill and Girls: I am so sorry to hear about Jan. Had we known, Rick and I would have been there to support you. Know that our love and prayers are with you now and for always. Jan is in a much better place that we are and some day our souls shall be rejoined and on that day there will be much rejoicing. May God's arms be wrapped around you and give you peace during this time.##imported-begin##Janie Worden##imported-end##*

“ *Bill and family, I've know you and Jan so long and have been such good friends and I still can't imagine what you are going through. We all grew up together and our kiddos were involved together during school. We've worked together and played some together through the years. Please know how much we think of you and your girls. I will keep you in my prayers during the rough days ahead.##imported-begin##Kenneth & Judy Holden##imported-end##*
