“ Linda and Charles,

I am so saddened to learn of Jared's passing. You and your spouses have been through so much to now have lost both of your sons and it just breaks my heart for you. There is so little one can do or say to bring you consolation in this loss, but it may help you at this time and bring some comfort too, to know that others truly care, know the pain you feel and I share your grief with you. David and I know there is so little a person can do or say to bring you comfort in Jared's loss at this time; but know a time will come when you will be able to share your many happy memories of Jared with each other in the future and you will have peace in remembering his loving ways. Our love, sympathy and sincere condolences go out to you, as well as to Jared's children and all members of his family. May God bless you all and give you peace.

Dear Chuck Howard, It's Susan Holloway ... Bill Holloway's ex wife. I am so very sorry to learn about Jared. I named our son after your son, Jared. Bill wanted to name him Charles, after you. But his family wanted the name William in there somewhere. I wish I knew how your son, Jared passed to Heaven. I have missed y'all and thought of you through the years. I tried reaching Becky through Facebook, but no response. Abundant Prayers for you and your beloved family! 🙏🙏🙏

“ *I will never forget Jared encouraging Jordan during her swim meets. He would be at both ends of the pool when she made her turns urging her on to the finish. It was quite a workout for him!*
