“ Jim's parents and my parents Trudet and Pearl Tomlinson were good friends. Daddy and Hulan both worked for the county hauling gravel in their personally owned trucks. Lots of games of canasta were played. I didn't keep with Jim after high school graduation and my move to Pauls Valley, seeing him occasionally at the alumni reunions. However, I always thought Jim was a very nice person and was glad he had a happy marriage and family. Betty's daughter, Brenda, worked as a deputy clerk at the office of the Garvin County Court Clerk several years while I was working as a legal assistant and we had a friendship so I was able to keep up on the members of the family, even though now Brenda is the only living member that I know.

My condolences go to all the members of Jim's family. He died too young and you have lost a good family man and an Elmore City citizen! With sincere sympathy,

I will miss Jimbo greeting me every time he saw me. I would stop and chat a while. He always had me laughing before I left!!! All of my older friends are mostly all already gone. I could see them all sitting around a table in heaven talking about old times and laughing!!! I will miss Jimbo!!! My sincere condolences to his family!!! He will be missed a lot!
