“ *I just found out yesterday why I could not get in contact with Jim. I am in total disbelief. He was my husband's (Leon) and my friend. .It was always so good to visit with him. Jim helped us out on so many house projects in my real estate business! He was my go to guy and referral person. My heart is so heavy & sad today! I praise God for our friendship! Jim Harbison was such a good man! He was and is missed!*

“ Jim was such a funny and loving guy. He came into my life when I was about 11 years old when he married my mom. We always had fun. When I was older and we were stationed in Panama, he had come there for his 2 weeks for the reserve and we got to see him again. From there I lost contact but always wanted to find him once I got back to Oklahoma. I did contact him once but unfortunately, we were unable to meet up. I think of him all the time especially when I look at old pictures. I will miss him greatly.

“ I took this pic of Jim in the parking lot of HomeDepot about a month ago. I told him how Steve was trying to give me this ugly hat to go fishing with. He said, "well I'll wear it if u won't!" Lol We loved Jim and will miss him everyday. He always told us, " you won't get rich working for me but I'll always keep you busy!" I would give more than my fair share of 20% if i could have him back! (We all would always argue about his 20%) Love you Jim always and forever. Thank you to his beautiful family for having us over and allowing us to be a part of his goodbye...

“ *Jim was a great patriot and an amazing www.woosterfuneralhomes.com man! He was so kind and engaging to everyone he met. If someone was down on their luck Jim was there to help. I will miss his wink and smile everyday he came into our Home Depot. He was one of our best employees by willing directing other customers to the aisle they needed. He became one of our Home Depot family. He was patient during trials and I pray his soul is blessed as much as he blessed me and others! I miss him so much!*
