

Jimmy Dale Tadlock

March 19, 1961 - April 2, 2017

Jimmy Dale Tadlock of Elmore City, Oklahoma was born to Donald Ray and Mary Jo (Hudson) Tadlock on March 19, 1961 in Nocona, Texas and passed from this life on April 2, 2017 in Norman, Oklahoma at the age of 56 years.

Jim grew up in Pernell, Oklahoma and graduated from Pernell High School. He later was employed by Jones Drilling and Trans World Drilling where he worked as an off-shore driller in Louisiana and Indonesia. He also worked for a number of years as a blaster for MPI. Twenty-five years ago Jim opened his own business, "Jim's Garage", in Elmore City. He loved working on cars; it was his work and his hobby. Jim had a heart for his community where he served on the City Council. Jim is one of Elmore City's lawn mower racing winners in the Footloose Festival competition. He was declared champion many times and later allowed others to ride his mower in the competition ... and they won. Jim was a very good example for his children, teaching them the importance of a strong work ethic and moral character. He will be remembered as a person who was "good to others."

“ Man, sure hard to believe! Jim, we covered some years together. Although life kicked in and I haven't been around much the last few years, being a brother meant I knew you were always there. I have known you for a bit over 40 years. Through that time, like a brother should, you were always full of heckling, and picking, but also knowledge and the willingness to help. Too often, I recall you placing your money job to the side to assist people, sometimes even getting taken advantage of. Your heart truly is the biggest! I can't THANK YOU enough for all the conversation, hunts, political arguments, shooting range visits, (and in our Younger days) a couple of drinking occasions, all the advise, letting me bend Your ear, and love and brotherhood that you provided. They say you are a part of everyone that you have in your life, well I am proud and blessed to know you have had influence in mine! I can only hope to pass on that kind of legacy. Love Ya Brother! Mike McCurley
With the deepest regret, I will not be able to attend the service today, but will be there this evening upon my return from OKC
