“ Jimmy was a band student of mine at Elmore City. I remember once he said something about how easy it would be to write a halftime show for the band. I said go for it. He did a pretty good job. Jimmy was a good band student. I'm glad I had the opportunity to have had Jimmy as a student.

“ I met Jimmy many years ago at a church skirting party back in the 1970's. He was one of the best song leaders. Always on pitch. He had a beautiful tenor voice as well. He could sing any part. He will be missed at Southern Ridge church of Christ.
