“ JoAnn is one of my mom, Mary Richardson, longest friends. They grew up together competing and participating in 4-H club activities in Garvin County, then became neighbors in the Antioch community when they both married. Living less than a mile from one another, they took part in many community events and were active members of the Antioch ABC Extension Homemakers group for over 50 years. I enjoyed getting to know her when I began attending club meetings with my mom after retirement. She was truly a fun, loving and caring person! So many fun times and great memories! She will be greatly missed!

I can't even say when I met JoAnn because she's always been there & been a part of my life. Growing up in the Methodist Church in Elmore City we were family & shared so many wonderful memories. I can't begin to say how much JoAnn & that generation influenced my life. On a particular occasion JoAnn was there for me & gave me all the right advise just when I needed it
She was one of my moms best friends & neighbor as they served our community in the Antioch ABC Extension Homemakers club for over 50 yrs. JoAnn you will be missed.
