“ *Joann was such a blessing to me when my first husband passed away. I will remember her loving, giving ways forever. I love all of you and wish I had been able to attend her service, not only to say goodbye to her, but hello to all of you left behind. We all had such good times together growing up. Kaye, Donna wants to get together again, what do you say? This is the first time I have been on the computer all week. I am at Hennessey and both Ruby and I were heart broken to head the news.*

“ *My husband David and I are sorry to learn of your loss. Joann was a cherished friend beginning at Parks Elementary School. The Woolsey girls and we Tomlinson girls spent many nights over at each other's homes making precious memories, walking the 6 miles round-trip distance between our homes before we were old enough to drive, and enjoying it!*

She loved her family, and particularly her sons. We are thinking of you and all your extended family with deep sympathy and compassion. Our prayers are with all of your family during this difficult time.

With Love,

Wilma Jones - April 05, 2016 at 10:11 PM
