“ *God doesnt check his schedule to see if we are here or there.What matters in his Holy plan is that we are in his care.And so this Christmas we will be missing Jody whom we Love we know the one we love and cannot see is with the Lord above.So this Christmas our thought and Hearts will turn Heavenward.I will miss my cousin that i have so many fond memories of.All the times we spent being together growing up.All the jokes you told me till dawn.Someday when i get to heaven I hope you are waiting inside the gate to tell me to come in so we can play like we did a long time ago. Love you cousin.Barbara###imported-begin##Barbara Melton###imported-end##*
