“ Joan, It is with great sadness to read of Joe Paul passing. Joe Paul and I were friends for many years and I felt like we could share many stories every time we met. Even many miles have seperated us over the last few years, I kept up with you and Joe Paul through Ileana. May God Bless you Joan during this time of grief. Joan there are many things in our life that will catch our eyes but only a few will catch our heart, those are the ones we need to pursue. Observe around you and be thankful for all that we have in this transitory lifetime.##imported-begin##Harold Bradley##imported-end##
