“ Ann I was sorry to hear of your loss, you have been blessed to have John with you for so long. My Sympathy, love and Prayers are with your all, you will all have many happy memories to share with each other in the future. Bod Bless you all.

Too often we underestimate the power of a touch, a smile, a kind word, a listening ear, an honest compliment, or the smallest act of caring all of which have the potential to turn a life around. People come into our lives for a reason, a season, or a lifetime. Embrace all equally!
